## **GPA HONORED AS BEST WORKPLACE FOURTH YEAR IN A ROW**

Chicago, IL – For the fourth straight year, GPA has been awarded the prestigious designation of Best Workplace in the Americas for their exemplary human resource practices. This year they have the added distinction of being named in the Best of the Best category, which is the highest honor a company can obtain in the program.

Run by the Printing Industries of America (PIA), this award program uses over 300 metrics to compare GPA's human relations programs and policies to other companies in the graphic arts industry. A panel of highly respected HR professionals with decades of experience in the graphic arts industry reviewed the submissions. All applicants were judged on eight criteria: Management Practices, Work Environment, Training and Development Opportunities, Financial Security, Workplace Health and Safety, Work-Life Balance, Recognition and Rewards, and Health and Wellness Programs.

"Each year we obtain the Best Workplace Award is an exciting one. Being named Best of the Best this year speaks to our efforts to continuously improve our company. The process is not a sprint to the finish line; it's a continual work in progress," said Heather Jenkins, SPHR, Human Resources Manager for GPA.

GPA is the premier source for specialty substrates and solutions for offset and digital printing. Products include coated and uncoated papers, pressure sensitive and specialty papers, synthetic films and substrates exclusively engineered for HP Indigo digital presses. GPA is an HP Indigo Preferred Partner and a Platinum Partner of Dscoop (Digital Solutions Cooperative).
